Those who submit information regarding to the submitted project agree to let the Invest Myanmar Organizing team to use the brand name, and any information regarding to the project, as well as the market information, business plan, financial data, daily undertakings, strategy and prospects.

The information received are to be used in preparation of leaflets and project presentation for investment-inviting projects at respective booths during the Invest Myanmar Summit, which will be held at Myanmar Convention Center 2 – MICCC2 in Nay Pyi Taw. Advice is welcomed for the review of investment and Intellectual Property.

(2) Confidential Information

Information concerning the investment-inviting project will be sent to the recipients. It will include the followings –

(2.1) Information about the projects (name of the project, location, etc.), required data of the project (strategy, mechanism, relevant project figures), information about the available resources (land, water, labor, technology), information on limited resources (land, water, labor, technology unavailability, duration of the project, targeted time [e.g – first phase, second phase, etc.]), estimated project budget, necessary investment and the type of investment, necessary data for the project, amount and type of cooperation (e.g – public-private-partnership – PPP/JV), the expected results and etc. It could be oral or written.

(2.2) Depending on the condition, the above mentioned could be regarded as confidential information.

(3) Recipient's Obligations

(3.1) The recipient will –

(3.1.1) Keep all confidential secret.

(3.1.2) Only use the data for pre-agreed purposes.

(3.1.3) Inform the data-provider immediately if unlawful use, photocopying or leak is suspected.

(3.1.4) Take all necessary precaution to prevent unsuspecting activity.

(3.1.5) Give necessary assistance to the data-provider to prevent such leaking of information.

(3.2) If it falls in the following conditions, information which must be kept secret could be informed.

(3.2.1) According to the existing law, when information is requested to be disclosed, it's obligatory for the recipient to disclose any information and also to assist in any ways necessary.

(3.2.2) If the information is a publicly known data, it needs to be disclosed as well.

(4) Return of Information

If the provider asked for the return of information, the recipient must act as follows –

(4.1) The recipient must return all confidential information to the provider.

(4.2) The recipient must destroy the data that needs to be destroyed in the presence of the provider.

(4.3) All the digitally recorded data must be deleted.

(4.4) Proof of the data deletion must be provided to the provider.

(5) Non-Compete

180 days after the implementation of Letter of Intent (or) 90 days after the end of the event, the recipient –

1) Will not ask for data and information.

2) Will not do any further discussion or negotiation.

3) Must not make any contract with the provider's rival in the same field.

(6) Obligations Survive

Even after the recipient has already returned, cancelled and deleted all the data and information, the obligations of the recipient still survive.

(7) No Assignment

This agreement cannot be transferred to anyone else.
